Question 2

The Student Development Department has planned to organise an enrichment programme for the Secondary 3 students for the upcoming September school holidays. Three programmes have been shortlisted and you have been tasked to encourage students to sign up for one of the programmes. Write an article in the school website and explain the reasons for your choice of enrichment programme.

- a title to attract the reader's attention
- choice of programme and why the programme appeals to you
- how the activity can benefit the students in school
- how the learning from this activity can help students in the future.

You should use your own words as much as possible.
